

# STREETSCAPE

## CASE STUDY

Project:  
**Lyceum Square  
Crewe**

Main Contractor:  
**Mansell Construction**

Sub Contractor:  
**DSR Limited**

Area:  
**2500 sq.m.**

Products used:  
**Streetscape FBC**  
**Streetscape PS**  
**Streetscape FJM**

Cheshire East Council, with funding from the North West Development Agency (NWDA), looked to completely rejuvenate the area around the town's famous Lyceum Theatre.

The square has been repaved with over 2500m<sup>2</sup> of high quality, granite stone setts, laid with Larsen Streetscape products, to create a robust, flexible space for parking, market use and events.

This has resulted in a vibrant, state-of-the-art pedestrian space for Crewe town centre, home to an iconic café and spacious, modern public lavatories.

It also features granite seating areas, new bins, cycle stands and modern lighting.
