CASE STUDY

Project:
Old Brewery
Mold, Flintshire, Wales

Main Contractor:
Conber Developments

Products used:
Larsen Professional Tile Adhesive and Grouts

The Old Brewery in Mold - 2011 LABC Building Excellence Award winning project.

This recently completed development comprises 20 apartments in a three storey building of traditional brick and block construction built on a brown-field site of an old brewery in Mold, near Chester. Construction work was of a very high standard and the apartments were described by Building Control as quality homes by a developer who achieves good quality and high standards of building.

Conber Developments used Larsen Professional Tile Adhesive and Grouts for the fit-out of the tiled areas in the bathrooms and kitchens on this project.
