

# STREET SCAPE

## CASE STUDY

Project:  
**Walthamstow Arcade,  
London**

Main Contractor:  
**J B Riney**

Area:  
**4500m<sup>2</sup>**

Products used:  
**FBC – BS 7533 compliant  
fine bedding concrete,  
supplied in 1.2t bulk  
bags.**  
**PS – BS 7533 compliant  
priming slurry.**  
**FJM – BS 7533 compliant  
flowable jointing mortar.**

The Arcade site is located in the heart of Walthamstow the head of Europe's longest outdoor daily street market. Its redevelopment seizes the opportunity to reinvigorate the area by drawing people back into the town centre. Tucked into the centre of the scheme is a new 1200 seat multiplex cinema which is lined with restaurant and retail spaces fronting a new public square.

Larsen's BS 7533 compliant paving mortar system was chosen to bed, prime & grout all types of specified paving.

Independently tested by a UKAS accredited laboratory for compressive, flexural, adhesive and shrinkage performance characteristics Larsen's paving mortar system installs confidence and provides long term durability.
